

# Hope for Camp Hill

During the past 6 months, God has been speaking to us about some more consistent outreach to our neighbours in Nuneaton. As we

have begun to ask God about this, He has led us to join together with one of the local churches to reach out in a consistent way into Camp Hill, an estate in Nuneaton. We have been praying for a while, and now we are on the brink of something very exciting. We have made contact through no effort of our own with some very key people who already have authority and established work in Camp Hill. Our desire is to serve and bless those who are already working there. Some opportunities have already come up for us to help with transport, and other jobs like this. The people of Camp Hill are very precious and we are excited to serve them in any way we can, to demonstrate the love of God in practical ways to them. As we continue to pray, we are excited to see how God leads us and what may open up there.

**WildFire** is a ministry of King's Kids England. Wildfire Teams release youth and families into service and mission both here in England and overseas! 10-18s are allowed to come without parents. Teams use creative arts, sports, intercession and practical service. Local Teams operate one weekend a month in London and the Midlands.

### WildFire Teams for 2008 include

- Bosnia in February
- Liverpool in June
- China, South Africa, England and Scotland for July/August.

Details on all these opportunities available on request.

## Building Project!

The King's Lodge needs to extend our building as we grow physically & spiritually. The plans have been submitted to the local council for planning permission. Please pray for this.

- \* Community meeting room to seat 200
- \* New hospitality wing
- \* New maintenance and garage facilities

If you would like to be a part of this vision of Building Project, please fill out the form below and return to us.

(Every Donation up to £200,000 will be matched)

## The God who uses ordinary people to do extraordinary things!

Maged Kalta - TKL Base director

It never ceases to amaze me how much God can do through ordinary people who are available. As I have been reflecting on the Book of Acts, chapters 3 and 4, we see Peter and John minister to the paralysed man outside the temple. They say to him, "Silver and Gold we don't have, but what we have we give you. In the name of Jesus Christ of Nazareth, Get up and Walk." As people looked at them amazed at this, Peter and John responded, "Why are you looking to us, as if by our own power or godliness we made this man well - let it be known, it is in the name of Jesus!" It is noted in the story also, that the highly trained religious leaders of the land looked at them and were amazed at how unschooled, untrained and inexperienced men could speak the way they did. But then they recognized that they had been with Jesus.

There are many similarities between this story and what has been happening at The King's Lodge ever since God gave us this wonderful facility nearly 22 years ago. We can say, "silver and gold we don't have." since we believe God for our daily provision, and yet we can still see the outcome of God's huge impact in people's lives and in the nations. We can say that our God takes ordinary people like us and does extraordinary things with us, so long as we are available and willing to obey.

May the stories in this newsletter encourage you afresh to have a heart to obey God, and reach out to this broken world with something that will restore people as strongly as the man in Acts 3 and 4.

Just as it was noticed that Peter and John were different, because they were known to have been with Jesus, let us pray that this be true for us. As we remember Jesus, the greatest gift of all, may we enjoy his presence and the change that He brings in our lives. May it be that in this new year people will note about us, "They have been with Jesus!"

Mega Outreach Team worship in the Philippines

## Schedule

22 Dec 07

- Sept DTS (Discipleship Training School) outreach to London and Albania

4 Jan 2008

- DTS begins  
- BCC begins  
(Bible Core Course)

(Bible Core Course)

## Celebration Nights!

On every 2nd Monday evening of the month, The King's Lodge hosts worship and teaching with our friends and neighbours - 7:30 PM

@ The King's Lodge  
the first floor  
lounge

We'd love to see you here!

# Building Project

### Giving

I would like to support the Building Project of The King's Lodge, by enclosing a contribution for £ \_\_\_\_\_.

### Gift Aid

(This will increase your donation by 28 percent!)

As a UK tax payer, I want Youth With A Mission to reclaim tax on my donations made after 6 April 2000.  
*You must pay an amount of income tax or capital gains tax equal to the tax that YWAM reclaims on your donations in the tax year.*

Signature \_\_\_\_\_ Date \_\_\_\_\_

I have previously made a Gift Aid Declaration to YWAM England.

**\* Please make cheques payable to : YWAM England**

### Unsubscribe

The King's Lodge hopes to send about 2 newsletter updates each year. Please tick this box if you would like to be REMOVED from our mailing list.

# OUTREACH NEWS

## for Mega Impact Mega Outreach to the Philippines

- Hundreds of people met Jesus for the first time
- Thousands (7,000-8,000) of children at five schools in two different cities heard the good news of Jesus through teaching, testimonies, skits, drama, and song
- Many (10+) were miraculously healed of pains, fevers, paralysis, hearing, and other physical conditions
- Hundreds of people were treated by the students and staff of the IPHC (Introduction to Primary Health Care)
- About seventy sermons were delivered at many different churches
- Dozens of feet were washed and babies and children were bathed
- 4 women were baptized in the ocean
- Hundreds of sets of clothes and flip flops were given away
- Dozens of pairs of reading glasses were distributed
- Over 800 kilos of rice fed many hungry Filipinos
- 36 volunteer Filipinos were greatly impacted by ministering with and translating for the students.
- Nearly 1,000 bibles were given to those who really wanted to read the bible in their native language

What happens when you have 100 people from all sorts of backgrounds and cultures and of different ages in one place? Usually complete chaos and lack of unity. But what if this happens to be a group of people who have heard the word of the Lord and obeyed – who have been sent by Jesus,

just as He was sent by His Father? (Jn 20 :19) **Blessing, anointing, unity, spiritual growth, salvation, miracles, healings, restoration, provision.**

This is what happened in Cagayan de Oro on the island of Mindanao in The Philippines. Students and Staff from The King's Lodge representing the CDTS (Crossroads Discipleship Training School) and the IPHC (Introduction to Primary Health Care) school were joined by volunteers from 'across the pond' and from 'down under' as well as other English folk from local churches, to minister in The Philippines. Thirty six young Filipinos also joined the throng to declare the love of Jesus to people in this nation.

The goal, as always for the Mega Outreach, is to join in with what God is already doing in the land, to extend His Kingdom through evangelism, mercy

ministries, practical works and to minister to those most in need: the poor, the hungry, the destitute, the captives. Jesus' ministry was to "preach the good news, bind up the broken hearted, proclaim freedom, recovery of sight,..... to comfort and provide for those who grieve in Zion..... to bestow beauty instead of ashes,..... the oil of gladness instead of mourning, a garment of praise instead of despair..... (Is 61, Luke 4) and this became our mandate – to follow in His footsteps.

On our advance trip, the word of the Lord came to us through the demonstration of popping seed pods. An area called Tagoloan was ripe for the word and was like these seed pods which exploded, with seeds being thrown out when water was added. The dryness of the village was just waiting for the refreshing water of the Holy Spirit to bring forth new life – and that's just what the team witnessed. From day one there were miraculous healings such as a paralysed man, bedridden for four months from a stroke getting up and walking; a lady while having her eyes tested for stronger eyeglasses finding that she no longer needed glasses at all; a growth in the ear of another, which had caused complete deafness in that ear just disappearing while being prayed for. I could go on... and on.

There was an anointing on the team like we hadn't experienced before. The team led several hundred people to the cross of Jesus, over 7000 children heard the gospel through school ministries, churches saw encouraging growth and all of the team experienced God and now have a deeper relationship with Jesus as a result. We are all so privileged to join God in His work – knowing that He chooses to work through us to build His kingdom.

*I realized how big God is... He is with us always and every where!  
Especially when we are out of our comfort zones!!  
I know that sounds simple.. but I needed to experience Him  
in this way and he NEVER LET ME DOWN. - Cindy K. CDTS Student*

*It was humbling and overwhelming that more than 100 people travelled  
from all over the world to carry the message of God's Kingdom and  
love to the Filipino people in the Philippines.  
Everywhere we went on,  
we could tell them that God had brought so many from so far  
to show them how much God loved them. - Bryan R. CDTS Student*

# SCHOOLS NEWS

## SBS - Become more thirsty for God

*"If anyone is thirsty, let him come to me and drink.  
Whoever believes in me, as the Scripture has said,  
streams of living water will flow from within him." (John 7:37-38)*

When we started the School of Biblical Studies (SBS) this year, these were the verses God laid on our heart for the school. SBS is for those who are thirsty to know more of God. During the school we learn a lot of information about the Bible, but more than that, we want to encounter the Living Word and be changed by Him.

What an incredible journey to have 9 months to study 66 books, reading each book at least 5 times. From Genesis to Revelation, we work our way through the whole Bible and discover the full scope of God's salvation plan for man. Studying each book means that nothing in Scripture is missed out, but even the more difficult or obscure passages can be wrestled with. Study always culminates in personal application as we seek God for how each of us can be living out the truth of His Word.

This year there are 13 students on the school and each is hungry to know more of God. In November we had a week away in Sussex, during which we read and studied the Psalms. This was a powerful and refreshing time, and many students shared testimonies of how God had been working in their lives. More and more we are hungry to see the Holy Spirit bringing the written Word to life, and change us more into the likeness of Christ. And this is all so that the world may see Jesus in us and be drawn to Him. SBS is for those who want to know God and work with Him to change our world!

## Sept 2007 DTS - Exciting adventure for the Lord!

Discipleship Training School (DTS) is best described as "an exciting, intense time with God." It is 6 months long broken up into 2 parts; the first is about KNOW GOD and the second about MAKE HIM KNOWN.

On this school, there are 20 students from Great Britain, America, Canada, Korea, Argentina, the Netherlands, Egypt, and Denmark. We all gathered in one place, setting aside 6 months of our lives so we can be changed. We study the word, learn how to be a team, discover the heart of God and make Him known. We devote ourselves completely to God. We are the September Discipleship Training School at The King's Lodge!

A student here explained that before DTS she thought she knew so much about Christianity, and then she came to The King's Lodge and had all of her knowledge stripped away! She was humbled before the Lord so that He could fill her. "DTS is very much an outpouring of yourself." she says.

Prayer for the Lecturer

"It's a time of healing, which helps you grow a lot, but it's also very emotional and draining." DTS really is a complete outpouring, but in return God pours into you and it suddenly all becomes worth it. He is our prize.

At the beginning of 2008 our team of 20, plus staff will be flying to Athens, Greece where we will be boarding a ship headed for Albania, our outreach destination! We will be living on the ship in a port in Albania, ministering the love of God to the 70% Muslim population that live on shore. The students' excitement is contagious:

*"Whenever I encounter someone who lives differently from me,  
whether that be one who is poor in spirit or literally has nothing,  
it's a life changing experience for me. I learn so much!" one says.*

We all believe it will be a powerful time as we bring the word and love of Christ to this often overlooked country.

DTS is about encountering the life-changing love of God. When we are changed by that love, our automatic response is to turn to our neighbour and share it! We are called to the nations with all power and authority in heaven- we are called to KNOW HIM, and to MAKE HIM KNOWN!

## PCYM - Get ready for harvest of the young

- One in every three people on this planet is under 15 years old...
- The second largest generation in history is emerging...
- Around 80% of all responses to the gospel are from children...

YWAM's PCYM (Principles in Child and Youth Ministry) school is designed to train and equip workers for this massive harvest. Our current PCYM, led by King's Kids England staff, started in September and has 9 excellent students hailing from England, the Netherlands, USA and Korea.

So far in the course we have covered Human Development, Spiritual Capacity of Young People, Reaching and Keeping, Youth Culture and Discipleship. We have also travelled as a school to Glasgow's "Families on Fire" conference and to Norway for the King's Kids Western Europe Conference.

The PCYM is designed with an emphasis on practical youth/children's ministry experience as well as lecture input, with weekly opportunities in local schools and clubs. The students and staff have also run an outreach week with a church in St Albans, reaching 8-11 year olds from the local community. The school's outreach phase will be in Bosnia, where a number of our students are based long-term.

*"A great thing about the PCYM is it's not just a course. You are plugged into the bigger picture and momentum of a national ministry like King's Kids"*

- Chris Joyce. PCYM Student

**BRINGING HEALING; EMPOWERING PEOPLE**

**IPHC**
